HOBBIES

Reading Novels
Programming
Sci-fi movies
Cube
Trying new things

EDUCATION

College (Science/ Physical)

Viswa Niketan Secondary School
Graduating February 2020

- Recipient of 100% Scholarship

High School Diploma

Learning Realm International (L.R.I) School
Graduated 2017 AD

- Graduated with 3.9 GPA
- Awarded Second in Case Study 2016

ACHIEVEMENTS/ PROJECTS

- **Multi-Class Heritages Detection**
  Classifies heritages of Nepal using **CNN** and with framework like **keras** and **tensorflow**.

- **Poem like Shakespeare with Deep Learning**
  Write a poem like of Shakespeare with help of **deep Learning(RNN)**.

- **Music Generation through AI**
  Jazz music with **RNN**.

- **Neural Style Transfer**
  Transfer a artistic look to any pictures with help of deep learning.

CERTIFICATES

- Machine Learning:
- Neural Networks and Deep Learning
- Convolutional Neural Network:
- Learning How to Learn:
- Introduction to TensorFlow
